

## 2023-2024 LEARNS Sports Page

The Berkeley LEARNS Sports Program offers twelve different sports throughout the year. The majority of the teams are competitive, but there are also intramural teams for some of the sports as well. Intramural teams do not have a tryout process, but the competitive teams do. Our Intramural (IM) teams are used to promote wellness and allow students who do not compete on our competitive teams an opportunity to be active, learn the fundamentals of a sport, and ultimately have fun. If you have any questions or concerns please contact Fred Sims, Athletic Director at [fredsims@berkeley.net](mailto:fredsims@berkeley.net) or (510) 883-6511.

\*Students WILL NOT be allowed to tryout for any team without completion of the 3 required documents: (1) Assumption of Risk for Participation in Voluntary Sports Program, (2) Medical Treatment Authorization Waiver, (3) BUSD Health Certification for Participation (signed and stamped by a doctor).
